THE UNITED STATES,

## ORDER

---

On May 22, 2009, the parties filed a joint status report proposing a schedule for dispositive motions and requesting permission to exceed the default page limitations in their briefs. Having considered the parties' status report, the court concludes the following:

1. On or before August 7, 2009, defendant shall file its motion for summary judgment. The deadlines for all subsequent filings shall be in accordance with the rules of the court; and
2. The court is disinclined to allow briefs that exceed the default page limitations. However, any party that desires to exceed those limits shall file, along with its brief, a motion for permission to exceed the page limits in that brief (with the understanding that the motion may be denied and the offending brief struck from the record).

**IT IS SO ORDERED.**
